Vic LoRusso will be the teacher of this co-ed class, which is a continuation of the *Design for Discipleship* series that he taught last Fall. The book is \$7. **DON'T MISS IT...Parent Every Week Like It Counts**

We have approximately 936 weeks from the time a child is born until he or she graduates from high school.  
*It goes by fast.*

The responsibility to shape a child's faith and character can seem overwhelming for a parent or a teacher. You have probably realized by now that you can't make a toddler share. Can't force a child to have faith. Can't compel a teenager to make smart decisions. But there is something we can do. We can make this week count. And then do it again, and again.

In *Don't Miss It*, Pastor Kevin will help parents and leaders discover that what they understand about their kids now has the potential to change their kids' future. If we don't miss what's happening during this phase of our kids' lives, then maybe kids won't miss some important things they need to know about life. That's why what we do this week matters.

This 6 week class will begin on Wednesday, March 8<sup>th</sup> at 6:45 p.m. in Beaver 205. Books are suggested, but not necessary. Sign up and books will be available in the Worship Center Lobby February 25<sup>th</sup>, March 5<sup>th</sup> and at the first class. Cost is \$10.
