George Washington, Jackie Robinson, Chuck Colson, Eric Liddell, John Paul II, Dietrich Bonhoeffer, and William Wilberforce, all lived their lives for a greater purpose, laying down their comfort and ambitions to follow what they believed was right. In *7 Men* you'll learn more about these remarkable men and the faith that guided each of them. In a day when character often takes a backseat, their stories will enrich your life, and show you what's possible when one person chooses to follow the path of humility.
