## MARCH MADNESS

Our *March Madness* high attendance campaign is in full swing. Teams collect points for Sunday School attendance, as well as the contacts they make ~ and contacting people is the heart and purpose of this competition. We want you to contact everyone! Invite friends, neighbors and co-workers to church. Send cards, call, text or email those 'missing' folks you haven't seen here in a while. Let them know we miss them. And striking up a conversation with someone you meet in a random encounter might actually be a divine appointment.  
*It's about CONNECTING with people!*

## ANITA RENFROE TICKETS

Christian comedian Anita Renfroe will be here this Thursday, March 22<sup>nd</sup>. Today is the last chance to purchase your tickets in the Worship Center Lobby. We expect a full house ~ so plan to arrive early. Doors open at 6:00 p.m. Parking will be available at FBCLS, as well at Annette Winn Elem. School. It's going to be a fun filled evening together!

## CHURCH WORK DAY

Church Work Day is next Saturday, March 24<sup>th</sup>, 9:00 a.m. to 2:00 p.m., with lunch served at 1:00 p.m. We need all hands 'on deck'! We are asking each of you to be at the church at 8:30 a.m., so we can plug everyone into their respective roles. If you have any rakes, gloves, work rags, dusters, that you don't mind us using on this day please let Josh know. Sign up at the table in the Worship Center Lobby or see Pastor Josh.

## SUNDAY SCHOOL CLASS RELOCATIONS

This week we have had a chance to find out more detail about the extent of the damage the water leak had on the Patterson building. The work that needs to be done will take longer than we hoped, and the classes will need to make their current locations home for a little while. We will begin the work as soon as possible and complete it in a professional and safe way. So in advance, thank you for your flexibility and willingness to meet in a different place. We also appreciate you excusing the mess as the repairs begin to be made. Signs have been placed around the church to help direct classes to the new locations.
