DISCIPLESHIP MINISTRY NEWS

We care deeply about how people live out their faith and engage the community, their local church, and the world. While we recognize our members are busy and we all interact with many others in our daily lives, the most important interaction we have needs to be with God. We believe God has called and continues to call us to a life being lived for Him. The Discipleship Ministry of FBCLS will be offering a resource for those who attend to help your personal growth. There will be 14,000 Bible studies, conferences, training, and even videos of nationally recognized speakers. Please make sure we have your current and correct email address so we can send you an invite to this amazing tool.

The American Dream has been hijacked. What used to be about freedom of worship, opportunity and potential has been distorted to me, me, me and more, more, more. This self-centered, me-focused consumerism has even crept into the American church. God's goal for all Christians, however, is not that they achieve the American Dream, but that they become like His Son, Jesus Christ. (2 Cor 3:18) We don't want to settle for the American Dream, but instead relentlessly pursue "God's Dream" for our lives." Brian Mosley
